## Welcome to Ladies' Golf, Tasmanian-Style

We would be delighted to welcome you to Tasmania for a memorable few days of golf, great food, and shared experiences. This ladies-only tour has been thoughtfully designed to showcase the very best of golfing in Tasmania — from coastal rounds and historic courses to long lunches, local wines and time to explore everything Hobart has to offer. It's a balance of quality golf and relaxed, enjoyable moments off the course.

Tasmanian Golf Experiences is run by John (JD) and Alix Davis, whose local knowledge and passion for both golf and Tasmania shape every part of the journey. JD brings a golfer's perspective, having played many of the world's great courses, while Alix ensures every off-course experience — from dining to hidden local gems — is just as memorable.

Throughout your stay, everything has been carefully arranged so you can simply relax and enjoy the experience. Whether it's your first visit to Tasmania or one of many, we hope this trip gives you a genuine feel for what makes golfing here so special.

We look forward to hosting you and helping you make the most of your Tasmanian golf experience.

*Cheers,  
JD + Alix*
