## Welcome to Golf, Tasmanian-Style

Welcome to Hobart - where great golf, exceptional food and a relaxed coastal atmosphere combine to create a truly memorable short break.

This 3-Day Hobart Golf Getaway has been thoughtfully designed to showcase the very best of golfing in Tasmania, all within easy reach of the city. From the coastal challenge of 7 Mile Beach Golf Course to the classic layouts of Hobart's established clubs, each round offers a different perspective on the game in this unique part of the world.

Tasmanian Golf Experiences is led by John (JD) and Alix Davis, whose local knowledge and passion for both golf and Tasmania shape every detail of your trip. JD brings a golfer's perspective, having played many of the world's great courses, while Alix ensures the off-course experience - from dining to local discoveries - is just as enjoyable.

Over the coming days, everything has been carefully arranged so you can relax into the experience and enjoy the rhythm of the trip. Whether it's your first time golfing in Tasmania or a return visit, we hope this getaway gives you a genuine feel for what makes Hobart such a special destination.

We look forward to hosting you.

*Cheers,  
JD + Alix*
