## Welcome to Golf, Tasmanian-Style

Welcome to Tasmania - where exceptional golf, outstanding food and wine, and dramatic coastal landscapes come together to create a truly memorable experience.

This 5-Day Tasmanian Golf Tour has been carefully designed to deliver the very best of golfing in Tasmania in a seamless and enjoyable format. From the fresh coastal air and links-style challenges of 7 Mile Beach Golf Course to the internationally acclaimed fairways of Barnbougle Dunes and Lost Farm, each stage of the journey builds toward a complete and rewarding golfing experience.

Tasmanian Golf Experiences is led by (John) JD and Alix Davis, whose local knowledge and passion for both golf and Tasmania underpin every detail of your trip. JD brings a golfer's perspective shaped by playing many of the world's great courses, while Alix's expertise in food and travel ensures each off-course moment reflects the very best of the region.

From arrival to departure, every element has been thoughtfully arranged - allowing you to relax, enjoy the rhythm of the trip, and focus on what matters most: great golf, great company, and the experience of Tasmania at its finest.

We look forward to welcoming you to Tasmania and giving you an outstanding few days of golf and island hospitality.

*Cheers  
JD + Alix*
