Welcome to golf, Tasmanian-style

www.tasmaniangolfexperiences.com.au

Welcome to Tasmania — where world-class golf meets exceptional food, whisky and landscape in one of Australia's most distinctive destinations.

This Ultimate Tasmanian Golf Week has been thoughtfully curated to deliver a seamless and memorable experience, blending the very best of the state's golf with its renowned hospitality. From the coastal links at 7 Mile Beach Golf Course to the celebrated fairways of Barnbougles Dunes and Lost Farm, each day builds toward a complete and immersive golfing journey.

Tasmanian Golf Experiences is led by John (JD) and Alix Davis, whose shared passion for golf and deep local knowledge underpin every detail of your itinerary. JD's experience playing many of the world's great courses ensures a golfer's perspective throughout, while Alix's expertise in food and travel brings a considered, distinctly Tasmanian flavour to each off-course moment. Throughout your time here, every element has been carefully arranged - from transport and tee times to dining and experiences - allowing you to relax into the rhythm of the trip and enjoy Tasmania at its best.

We look forward to hosting you and sharing an exceptional week of golf, hospitality and unforgettable moments.

*Cheers
